The 3 pigs little

Once upon a time when pigs spoke rhyme, there was an old sow with three little pigs. And because she had not enough to keep them, the sow sent them out to seek their fortune.

Each of them found a lovely place to create a house:

Nofnof built his house out of straw, Nifnif made a wooden house and Nafnaf used bricks.

But then the wolf arrives with his drugster und is very, very hungry!

Which of them will find its fortune?
